TOP 5 SPEAKER PROGRAMS

TURN FEAR INTO POWER: FUELING YOUR JOURNEY TO SUCCESS

Denying fear and just trying to push through it is not enough for success. Learn how to harness fear to work in your favor and use it to push to success!

THE POWER OF POSITIVE INFLUENCE: MENTORSHIP

The power of positive influence & mentorship can change the entire trajectory of your life, just like it did mine.

RESILIENCY | NOT A VICTIM

Your past does not dictate your future...mine was horrific. Instead, get passionately purposeful in your pursuit of leveling up in your own life!

YOU ARE ALWAYS YOUR BRAND: SHOW UP AS IT

As a business leader, you are always your brand. Be purposeful about showing up as it, and you reach your target audience better and faster.

BUSINESS SCALABILITY: WHAT DOES IT REALLY TAKE TO SCALE?

Scalability for business success. What really is necessary to make you company scalable and then scale it to the next level?

ABOUT SONYA BAILOR

Sonya Bailor is a leader that other leaders call upon. She is the Founder & CEO of Bailor Group, a boutique management and marketing consulting firm known for its focus on growth strategy and organizational change management. Her strategic leadership has fostered transformational results across various industries, including healthcare, consumer goods, professional sports, spirits, and nonprofit sectors throughout the United States. Her deep-seated expertise in coaching and consulting has been instrumental in propelling businesses and individual leaders to achieve unparalleled success.

Drawing on a traumatic childhood, Ms. Bailor's resilience and purpose were shaped by motivational learning and entrepreneurship instilled by her parents. She embodies a strong work ethic centered on ownership and servant leadership. Her commitment extends beyond business as she actively participates in board roles and supports numerous nonprofits through fundraising and volunteer efforts, driving community growth and impactful social change.
